

Nathan White

Vice President, Manufacturing

Nate has primary responsibility for the manufacturing, rebuilding, and repair of equipment and products sold by Intermountain Electronics. He specializes in operations management and the application of Lean Manufacturing principles.

Prior to joining IE in July of 2008, Nate was the Director of Manufacturing for another Utah based business. Over a ten year career, he helped the company grow from its infancy to \$250 million in annual sales. During this time, the company was awarded the Best of State Statue as Utah's top manufacturer for two consecutive years.

Nate graduated magna cum laude with a B.S. in Business Administration from Dixie State College of Utah. In May 2008, he graduated with a M.B.A. from the David Eccles School of Business at the University of Utah.

Nate and his wife Megan have four children and are involved in most aspects of athletics, outdoor activities, and other family and children's educational pursuits and activities. They are avid University of Utah fans and supporters
